Missions Spotlight [Update from D.P.](#)

A group of people from our church were able to visit with D. in Parry Sound this past weekend. The purpose of the trip was to pray for and encourage D. and some of the people he works with. It was exciting to meet some of the people that have come to faith and been baptized in the last year. They did not attend any of the actual house church meetings (called faith circles) for a number of reasons, but were able to attend meetings in a few of the reserve church buildings and encourage and pray for the people there.

It's amazing to see the relationships and acceptance that D. has in the communities that he serves. D. is very excited and grateful to have had new workers added to his team. Renee and his family have recently joined D. in the work in Parry Sound.

D. and Renee would appreciate our prayers for them as they do a huge amount of driving. The six reserves are at least 100 kilometres apart and the roads are often treacherous due to winter driving conditions. Additionally, many of the people they serve do not have vehicles. D. and Renee must drive to meet with them and they often drive and accompany them to their appointments.

Please pray for the new believers as they are being discipled in the Christian faith. They have many struggles.

D. has often said that he can tell when the people of Meadow Brook are praying for him. Let's keep doing our part in coming alongside this vital ministry!

Kids & Students

This month at MB Kids we will look at how Jesus demonstrated what serving really looks like by washing his disciples' feet, even laying down his life for the sins of the world. We reflect on His character when we lend a hand and serve!

This month, our goal is for our MB Tykes to know Jesus loves them, and that nothing will ever change that! To do that, we've planned some super fun, hands-on-activities and are ready to tell amazing Bible stories in ways that will engage young minds! We also have some colorful, little friends joining us...LOVE BUGS!
