### ONE SERVICE

Our hope is to stay in one Sunday AM service until the New Year! We may find that we are too full, so we might not make it, but this is our goal! Although the service will feel a little fuller, we felt that it would be good to keep the church family all together this fall if we can, even as we make plans for what is next building-wise. We ask that every single person who is physically able park in front of SECC/Giant Tiger, in order to leave the parking spots nearer the church for those who truly need them.

### OPEN HOUSE

Our monthly worship event happens on the last Sunday of every month at 7pm in the youth space. This fall, we are also adding at 6:30pm prayer time before the worship, where we can come together as a church and pray for Meadow Brook as we look ahead to what is next in transition. See you there!

### THANKSGIVING OFFERING

On Oct 6th and 13th, we will be taking up our annual Thanksgiving offering, where a target has been set of \$100,000, and where we ask everyone to dig a little deeper and give a little extra, this year to the MB Budget, to our amazing missionaries, and to the Bridge! Let's join together and hit that target!

### LIGHT THE NIGHT

This year, our Halloween program is called "Light the Night," where rather than host a large and expensive event at the Church that we hope the community will come to, we are wanting instead to be present in our neighbourhoods and find ways to connect with our neighbours! More information to come, ask Pastor Sarah if you have any questions!

## MISSIONS SPOTLIGHT

God is at work in Thailand! Somdy is happy to let us know that the local church in PhonPhisai is doing well. In the last six months he conducted some leadership training which concluded in August. Somdy is currently waiting for another group to come for leadership training which will start in October. Just recently he started a new work in a place called Bannanang. There is an urgent need for us to pray for the spiritual warfare that goes on when Somdy starts a new work. He is depending on us to help the work go forward. As Somdy says: "The work for God's kingdom over here is great!" Satan is not happy at all when he sees God's kingdom advancing! Somdy's daughter, Sarah, is doing well at school, and his wife, Chanh, is in

good health. Somdy uses the motor bike which we helped provide, every day and could not do without it. Please pray for the following:  
1 The Lord's protection in terms of spiritual warfare.  
2. Sarah to continue doing well in school. She and her mother spend the school week in Laos and come home to Thailand on the weekend.  
3. The new leadership training to start in October- for spiritual and physical strength for Somdy as he undertakes this class.  
As always, let's continue to do our part by praying for the kingdom work that Somdy is privileged and excited to do!

**MBKids** - This October in MB Kids we will learn that courage is being brave enough to do what you should do, even when you are afraid! We will be in Exodus looking at the story of Moses.

**MBKids CLUB** - We will kick off MB Kids Club October 1st with an extreme obstacle course night! Don't forget to register your kiddos, registration available online and at the HUB.

**MBTykes** - We all want to be strong and courageous. We all want to say we would be brave when faced with fear. But how? What can help us be brave? How can our preschoolers be strong and courageous SUPER KIDS without the capes and super powers we see in the movies? This month we plan on giving preschoolers the answers to all of these questions while having some superhero fun! We want our preschoolers to grow up knowing that they can be brave, because God is with them. Yep! God can help them be brave! And they don't even need a cape or a mask!

**MB NURSERY** - This month we will teach our babies that God is ALWAYS with them through songs and activities.
